VISION:

To serve the citizens of Arkansas and the regulated community promptly and professionally in resolving issues that relate to sales, licensing and regulation of the new motor vehicle industry.

CORE VALUES:

- **Ethics-** *We strive to always have ethical behavior and practices. We believe doing so will help us to maintain and continue to maintain and build a positive reputation.*
- **Integrity** -*We are committed to business integrity. We strive to work honestly and in the best interests of the agency, to avoid corruption of any kind, and to ensure compliance with various laws, rules and regulations. It is our constant goal to always work honestly, be truthful in our work-related interactions, whether in explaining a problem or in reporting results, as we work in the best interests of AMVC. We will always work to avoid conflicts of interest or the appearance there of. As an agency we strive to avoid situations where interests or conflicts even appear to be inconsistent. Hiring or overseeing family members, significant others, and even close personal friends can pose conflicts of interest. Therefore, these types of hiring decisions and supervisory are carefully reviewed. Similarly, close relationships with contractors or suppliers, dealers, manufactures or other nongovernmental entities can pose real or perceived conflicts. As a result, employees must not participate in decisions whether to engage with said entities, contractors, dealers and suppliers if that employee or a family member stands to personally benefit. Employees must also avoid conflicts of interest that could arise because of their involvement with another entity, especially if that involvement includes regulation, control or employment relationships.*
- **Efficiency** - *We strive to make the choices and adopt various tools and processes that generate the best results at the least cost for our agency*
- **Customer Service** – *We strive to greet our customers in a courteous and professional manner with each contact. We will listen effectively to our customers’ concerns and promptly take the necessary actions to assist them. We will inform our customers of normal process time, what they can expect and keep them informed of any delays that may arise in the process. We will touch base with our customers to update them as to where we are in the process or investigation of their complaint. We will finish our encounters with our customers in a courteous and professional way.*
- **Transparency-** *We will operate with unhindered honesty in the way we conduct business. We will operate with a lack of hidden agendas or conditions, accompanied by the availability of full information required for decision making or general public information.*
- **Accountability-** *As a State agency we embrace the obligation to account for our decisions, performance, and actions. With our acceptance of accountability we willfully disclose the results of our decisions, performance, and actions in a transparent manner.*
